# Family Math & Science Night

Join us Wednesday March 10, 2010

6:30-7:30 pm in the gym for an evening of family fun and exploration.

Come explore over 50 hands on activities provided by Sprinkler Lake Education Center, your local Math and Science Center. Families are encouraged to choose a kit to explore together and when finished to choose another. Each kit contains everything, including directions, needed to do the math or science activity.
