## School Improvement Team Minutes January 15, 2008

Present: Marilyn, Deb & Jane

### 1. **1<sup>st</sup> Trimester Data:**

The team went over the information from the 1<sup>st</sup> trimester. We are in the process of gathering our Winter Benchmarks in Reading (Dibels & QRI for olders). Jane is working on a spreadsheet with the GLCEs for Deb.

### 2. **NCA Visit:**

We discussed the visit and the schedule. The team also talked about the time when they will meet with the QAR team and what the students will be doing. Nancy is going to do a Bullying activity with everyone K-5 during this time. This will allow the classroom teachers to not worry about their classrooms and have the chance to talk with the QAR Team.

### 3. **Other:**

We set the time for the Math and Science evening 6:00-7:30. Sprinkler Lake staff will bring all of the materials and be here to work with parents. It should be a fun evening for all.

Next Meeting: Tuesday February 19 @ 3:30

Agenda: NCA Exit Report  
MEAP results?
